OBJECTIVE

MCA graduate with a strong foundation in Python programming and web development. Currently pursuing Python Full Stack Development training with practical experience in Django, HTML, CSS, JavaScript, and database management using MySQL and SQLite. Developed projects such as a Smart Question Paper Generator and College Event Management System to automate workflows and improve efficiency. Seeking an entry-level Software Developer or Backend Developer role to apply technical skills and continue growing in software development.

EDUCATION

- MCA – Bengaluru University | CGPA - 7.9 | Feb 2024 – Jan 2026.
- BCA – Seshadripuram first grade college | CPGA – 8.4 | Sep 2020 – Aug 2023.

SKILLS AND INTERESTS

Programming Languages	Python, C, C++, JAVA
Frontend Technologies	HTML, CSS, JavaScript
Database	MYSQL, OracleSQL
Version Control System	Git, GitHub
Cloud & Devops	AWS
Web framework	Django
Soft Skills	Critical thinking, Data-driven decision making, Project ownership

CERTIFICATIONS

- Women & AI program - DELL Technologies
- Add On Program - Glisten Education
- TECHIZEN 2K24 - Bangalore University

PROJECTS

Smart Question paper generator

- **Tech Stack:** Python, Django, HTML, Bootstrap, and SQLite.
- Developed an automated system to generate exam question papers using a centralized, metadata-based question bank.
- Engineered validation logic to ensure correct mark distribution and prevent question repetition.
- Built a responsive administrative interface to manage the question repository and paper generation workflow

College Event Management System

- **Tech Stack:** Python, Django, Tailwind CSS, HTML5, JavaScript, and SQLite.
- Automated the complete college event lifecycle, from initial approval and registration to QR-based attendance tracking.
- Implemented logic to prevent venue scheduling conflicts while providing real-time analytics for efficient management.
- Designed a modern, responsive frontend and backend to streamline student and administrator interactions

HOBBIES AND INTEREST

- Sketching, Drawing and Art interest
- Editing
- Dancing
